French — Native
English — Fluent

EXPERIENCE

Business Developer / Product / Marketing

May 2024 – Present

ShapeShift · Remote

Cross-functional contributor at ShapeShift: BD, product, marketing, and technical integration work. I open PRs for chain and DEX integrations, coordinate partner relationships across engineering, design, and marketing, run competitive analysis, and built an AI-automated outreach and follow-up tool across Salesforce, Telegram, and ShapeShift workflows.

BD Product Marketing Chain Integrations DEX Integrations Partner Comms
AI Automation Salesforce Telegram Competitive Analysis

Lead Fullstack

Sep 2023 – May 2024

Cede Labs · Remote

First lead block. Architecture ownership, team mentoring. Crypto/DeFi space entered.

React TypeScript Node.js Web3 DeFi Leadership Architecture

Frontend Developer

Feb 2023 – Sep 2023

Lydia · Remote

300+ tests added. Architecture refactored. UIKit on Chakra. Monolith → Monorepo. Node 10 → 18+.

React TypeScript Chakra UI Storybook Jest Monorepo Testing
