EXPERIENCE

Business Developer / Product / Marketing May 2024 – Present
ShapeShift · Remote

Cross-functional contributor at ShapeShift: BD, product, marketing, and technical integration work. I open PRs for chain and DEX integrations, coordinate partner relationships and comms, run competitive analysis, and built an AI-automated outreach and follow-up tool across Salesforce, Telegram, and ShapeShift workflows.

BD Product Marketing Chain Integrations DEX Integrations Partner Comms
AI Automation Salesforce Telegram Competitive Analysis

Lead Fullstack Sep 2023 – May 2024
Cede Labs · Remote

First lead block. Architecture ownership, team mentoring. Crypto/DeFi space entered.

React TypeScript Node.js Web3 DeFi Leadership Architecture

Frontend Developer Feb 2023 – Sep 2023
Lydia · Remote
