English — Fluent

EXPERIENCE

Business Developer / Product / Marketing

Feb 2026 – Present

ShapeShift · Remote

Cross-functional contributor at ShapeShift: BD, product, marketing, and technical integration work. I open PRs for chain and DEX integrations, coordinate partner relationships across engineering, design, and marketing, run competitive analysis, and built an AI-automated outreach and follow-up tool across Salesforce, Telegram, and ShapeShift workflows.

BD Product Marketing Chain Integrations DEX Integrations Partner Comms AI Automation
Salesforce Telegram Competitive Analysis

Lead Fullstack

Sep 2023 – May 2024

Cede Labs · Remote

First lead block. Architecture ownership, team mentoring. Crypto/DeFi space entered.

React TypeScript Node.js Web3 DeFi Leadership Architecture

IT Products Sales Advisor

2017 – 2018

Darty · France

Sales advisor for IT and consumer electronics products at Darty. Guided customers through technical purchase decisions, promoted the right products for their needs, managed stock availability, and supported the store floor with clear product knowledge.

Retail Sales IT Products Customer Advice Stock Management Product Knowledge
Consumer Electronics

Commercial Agent / Client Relations

2013 – 2014

LDLC · France

Commercial agent and client relations role at LDLC. I organized tech product showrooms with clients, presented new hardware launches, managed sales follow-up, and advised customers through purchase decisions.

Client Relations Showrooms Tech Products Sales Follow-up Customer Advice Hardware

Sales & Communications Representative

2011

Intel · Retail stores

In-store communication and sales role for Intel, promoting new processor launches in large retail stores, explaining product benefits to customers, and supporting sales teams on the floor.
