EXPERIENCE

Business Developer / Product / Marketing

Feb 2026 – Present

ShapeShift · Remote

Cross-functional contributor at ShapeShift: BD, product, marketing, and technical integration work. I open PRs for chain and DEX integrations, coordinate partner relationships across engineering, design, and marketing, run competitive analysis, and built an AI-automated outreach and follow-up tool across Salesforce, Telegram, and ShapeShift workflows.

BD Product Marketing Chain Integrations DEX Integrations Partner Comms
AI Automation Salesforce Telegram Competitive Analysis

Lead Fullstack

Sep 2023 – May 2024

Cede Labs · Remote
